Hi Ruemel,

I have reviewed the plans for this project and I like the overall architectural design. I strongly believe the design goes well with the diversity of architectural styles in the neighborhood. I support the development of this project!

Hi Ruemel,

I received a letter yesterday on the mail for a design review hearing taking place on July 8th. The proposed project is only a few blocks from my residence (422 Ferdinand Ave, El Granada).

Can you please send me the design drawings for this project?

The project file N0. is PLN2020-00266.

Thank you,

Luis Perez
